*“We took this tour in 2009 with family and it was one of the most memorable experiences ever! The food was fabulous, the crew charming, helpful and informative. Captain Julian was most hospitable, and even let my 88-year-old father pilot! We absolutely recommend the Athos.”*

# Your Week of Cruising

*Argeliers - Marseillan (or reverse)*

## DAY ONE

Upon arrival in Beziers, you'll be chauffeured to the Athos at her mooring in the charming Argeliers port, located at the southern edge of the Haut-Minervois. Champagne reception and gourmet canapés await.

## DAY TWO

Carcassonne is a picture-perfect fairytale castle. The Athos guide will walk you back through time in an unforgettable tour of the fortified city. Later in the day, the Athos will moor in the quaint village of Capestang in view of the floodlit Collegiale St. Etienne cathedral. Take a stroll into the village before chef begins dinner service.

## DAY THREE

Ever wondered how olive oil is made? Find out at the Oulibo where French olive oil is artfully pressed. Then taste a variety of organic olives and olive oils accompanied, of course, by a glass of rosé.

## DAY FOUR

Your Languedoc experience would not be complete without a visit to a French market. That's what we'll do in the charming town of Narbonne.

## DAY FIVE

The historic market town of Pezanas was the first seat of the Languedoc court where noble families lived in “Hotels Particuliers”, or mansions whose striking architecture is unique to this town. Theatre lovers will enjoy the guide's stories about French playwright, Moliere, who once stayed in Pezanas with his theatre group, l'illustre Théâtre.

## DAY SIX

En route to Agde we cruise past the estuaries of the “Petit Camargue”, a bird watcher's paradise! At Agde, a spectacular seafood lunch awaits! We'll dine in the open-waters of the Etang de Thau, Europe's largest mussel and oyster park.

## DAY SEVEN

Following breakfast and a warm send off by the crew, you'll be chauffeured to Beziers to connect with your onward travel plans.

*Itineraries are subject to change at the discretion of the Captain and crew. Changes are rare and will not alter the quality and pleasure of your cruise.*

## What to Expect

### YOUR ARRIVAL

You'll be picked up from Bezier train station or your local hotel at 4pm on Sunday, the first day of your Athos cruise. Bezier is about 4.5 hours via TGV from Paris and Charles de Gaulle airport. Arriving by car? Hire cars can be picked up at and returned to the Bezier train station or airport. Bezier airport is served by Ryan Air, Easy Jet and Air France and accepts private charter flights.

### WHILE ON BOARD

The cruise pace is leisurely. Visits to historic sites and villages en route may require some walking on narrow, cobblestone streets. Though every effort is made to park our vehicles nearby.

For cycling enthusiasts, hybrid bikes are available on board. Cycling along the towpath beside the canal is a magical way to enjoy the French countryside.

Chef sources local ingredients at open-air markets and uses only the best Languedoc meats. Eating fresh, in-season produce is a Southern French delight you'll experience in every Athos dish.

The bar is stocked with an assortment of spirits, wines, beers and soft drinks. Special requests can be ordered prior to the cruise.

The Athos has electric power 24/7. We also have an on board WiFi and an iPod docking station.

Our cruises are designed to ensure a relaxed atmosphere. As such, passengers should be at least eighteen years of age. Exceptions are made for families or groups who charter the entire barge.

For the safety and comfort of all our guests, smoking is not permitted within the interior spaces of the Athos.

### DEPARTURE DAY

On the Saturday of departure, the Athos crew will take you back to Bezier, leaving the barge by 10am.

Please note there are **NO LAUNDRY FACILITIES** on the Athos.
- **SUNGLASSES, SUN CREAM** and a **HAT** will protect you from the Mediterranean sun.
- Don’t forget sufficient quantities of **PRESCRIPTION MEDICINES** (to be carried in your hand luggage), as these items can be difficult to find in shops along the way.
- You can get **EUROS** in most large towns with your cash card and PIN. You’ll need Euros for gifts and souvenirs like herbs and fabrics from Provence, and wines and ceramics from the Languedoc.
